Councillor Foster welcomed Mrs Harvey Dowdy to the meeting, it was very heartening to see the University fully involved. She explained her background was rural regeneration and that would be the focus for Riseholme.

Mrs Harvey Dowdy stated that there was an internal consultation being undertaken in regarding the future for Riseholme. However, she was also looking to present to external groups.

The proposals came under four strands and looked at establishing Riseholme as a thriving rural college integrated into the community.

All Councillors were very positive about the plans and looked forward to working with the University. This made a positive change. Mrs Harvey Dowdy was thanked for taking her time to attend and for offering Riseholme facilities for the next meeting.
