

RISEHOLME PARISH COUNCIL

FINANCIAL REPORT FOR THE YEAR ENDED 31 MARCH 2026

1. The Income and Expenditure Account for the year is shown below.
2. The Parish Precept for the year was increased to £2,500 (2024/25 £2,000).
3. During the year the parish purchased a bench (plus base) at £907 but this was almost fully covered by a West Lindsey Councillors' Grant. With zero expenditure relating to the proposed lorry park, the Parish had a surplus of income over expenditure of £1,360 , leading to a year end cash balance of £4,745 which is viewed as allowing a reasonable contingency for periodic and one-off costs.
